

## GREAT REVELATIONS ACADEMY

# Photo Release Agreement

Throughout the school year, there may be times when Great Revelations Academy staff, the media, or other organizations, with the approval of the principle, may take the photographs of students, audio/video record students or interview students for school related stores in a way that would individually identify a specific student. Those photographs and/or videotaped images or interviews may appear in school publications, in school video productions, on the school website, on school authorized social networking sites, in the news media, or in the other organizations' school related stories or articles.

To authorize your child's photograph and/or videotaped image or interview to be used for these purposes, please complete this form and return it to the school.

The Great Revelations Academy has my permission to use my or my child's photo publically to promote the school. I understand that the images may be used in print publications, online publications, presentations, websites, and social media. I also understand that no royalty fee or other compensations shall become payable to me by any reason for such use.
